

OUR VISION

To set up a European youth digital platform for international exchange and networking, addressing questions of politics, history, culture, sustainability and entrepreneurship and provide scenarios for the future of Europe.

APPROACHES

- Learning by doing/co-creating (instructions to be provided)
- Intensity (short period of time/5 days)
- Diversity (many nationalities represented)
- Interaction (workshops/labs interacting with the City of Berlin and its people)
- Defining challenges/problems, finding solutions/presentations
- Peer reviews

OVERALL STRUCTURE

I Introduction /inputs from participants/experts/young entrepreneurs etc. Background material

II Labs/workshops 5 topics/structured approach - at the EAB and downtown Berlin/ interaction with people/organisations/museums etc.

III Testing results/Preparations for presentations and implementation

IV Website to be launched/selection of best project - invited audience

V Conclusions/statement from the Summer Academy 2018
